

# 2018 BRGA President's Update

## Message From The President

On behalf of the Board of Directors I want to thank you for supporting BRGA. For over 12 years, BRGA has been finding responsible, loving homes for retired racing hounds thanks to the generosity of our volunteers and donors. With your help, BRGA will continue to ensure that no retired racing greyhound is left behind.

## Meet Dingo

Hi, my name is Dingo. You may have been following my story on Facebook. I broke my leg on the track but BRGA helped fix my leg and I came

to Virginia in search of my forever home. Before BRGA could match me with a family, I began suffering from seizures and was rushed to the emergency vet. I am now recovered but will need to take medications for the rest of my life and be in a calm environment. Will you open your heart and home to me?
